

To Keep American Ships on the Seas

For the first time since the Civil War we have a real merchant marine. It cost us \$3,000,000,000 to get it.

The farmer, manufacturer, laborer—every American is interested in holding our position on the seas.

As a first step in this direction it is necessary to modify those articles of existing commercial treaties which have operated to thwart the upbuilding of our merchant marine—By giving the notice of termination for which the several treaties provide.

This action is directed in the constructive Shipping Bill now before Congress:

Which declares it to be the policy of the United States "to do whatever may be necessary to develop and encourage" a merchant marine.

This policy deserves the support of every American.

Lacking this support the present effort to maintain our merchant marine may suffer the fate of many ineffective attempts of the past.

"Felt Like Eating"

Man and Wife, All Run-Down from Farm Work, Were Greatly Helped by Ziron.

"MY WIFE and I, after a hard spring on the farm, were tired and run-down," says Mr. E. B. Mulkey, of Route 1, Acworth, Ga. "We neither felt well. I knew my blood was bad, as I had little boils on the back of my neck.

"We felt we needed a builder. We had heard of Ziron and thought it must be what we needed. It certainly was. We took it faithfully, and after a week or such a matter we began to feel better. My wife felt like cooking,

and I sure felt like eating.

"Ziron sure did us good. It made us both feel stronger and better for the fall work, which everyone knows is 'home work' on a farm. My boils began to dry up, though just at first they seemed worse.

"We are much better and can highly recommend Ziron, and gladly do so for it sure did us good."

Ziron is a safe, reliable, tonic medicine, good for men, women and children, when an iron tonic is indicated. It is easy to take and contains no habit-forming drugs.

THE BEST TEST

Is the Test of Time

J. G. Knox, manager of gin mill of State St., Somerville told of good results from using Doan's Kidney Pills. Now Mr. Knox confirms the former statement—says there has been no return of the trouble. Can Somerville people ask for more convincing testimony?

Mr. Knox, gave the following statement November 16, 1914:

"I had been suffering from pain and lameness across my back and it got so bad, I couldn't stoop to put on my shoes. My kidneys acted too freely and I was obliged to get up at night to pass the secretions. Flashes of light appeared before my eyes and I was often dizzy. I used Doan's Kidney Pills and it wasn't long before these troubles disappeared. I highly recommend Doan's to other kidney sufferers.

On May 2, 1918 Mr. Knox said: "I can speak just as highly of Doan's Kidney Pills today, as I did in 1914 when I testified to their merits. The cure they made for me at that time has remained permanent and I know Doan's Kidney Pills can be depended upon for kidney ailments. I gladly endorse them again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Knox had. Foster Milburn Co., Mfrs., Buffalo, N. Y. Adv.

Mr. Wisler Cured of Indigestion

"Some time in 1909 when I had an attack of indigestion and everything looked gloomy to me. I received a free sample of Chamberlain's Tablets by mail. I gave them a trial and they were such a help to me that I bought a package, and I can truthfully say that I have not had a similar attack since," writes Wm. B. Wisler, Douglassville, Pennsylvania. Booze is Not a Good Cure

FROM THE AMES IOWA INTELLIGENCER

When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken idea among a whole lot of people that booze is the best remedy for colic and stomach ache.
